GALATIANS 6:7 - 8

Good morning Church Family!

Do not be deceived: God cannot be mocked. A man reaps what he sows' The one who sows to please his sinful nature, from that nature will reap destruction; the one who sows to please the Spirit will reap eternal life.

-Galatian 6:7 – 8

Isn't it incredible how huge trees grow from tiny seeds! This principle runs throughout all of life. We can never completely get away from the seed we sow. So let us don't try to fool ourselves while we are trying to do a snow job on God. Let us make sure the seeds we sow are the ones we want to sprout up.

We start this year with a clean slate in some areas, a need to conclude business in others.

Although this year has just begun, we have experienced a waterpipe break, and a Fire Department Inspection. Both have cost us unexpected expenses.

We are blessed to share our facilities with New Life and others who keep the facilities in good working order, but we also need our members continued support.

Thanks to all of you.

I would like to close with a thought for the week:

“Work on being in love with the person in the mirror who has been through so much and is still standing.”
