New Series: “Get in the Game” #1

Sermon: Giving, Growing, Sharing, and Serving

Scripture: 2 Corinthians 9:6-8

While many may enjoy watching a football game and many fans are very committed to their team, the reality is that no fan has ever scored the winning touchdown or made a game saving tackle. There is a big difference between a spectator and a participant. The gospel invitation is one of engagement, allowing our faith to make a difference in our lives and our lives to make a difference in the world. Over the next few weeks, we’ll explore some practical ways to “get in the game”. Today, we will discover how giving/tithing is connected to a flourishing spiritual life.
